<p>Dear Alex,</p> <p>I got a mean message online from someone at school. They say I'm stupid and ugly. I feel sad and worried ☹. I don't know what to do.</p> <p>Please, help me!</p> <p>➔ From Pilot73</p>	<p>Hi Alex,</p> <p>My best friend wants me to tell her my passwords. She says that friends don't have secrets and we must share everything.</p> <p>What should I do?</p> <p>🌸 From Flower16</p>
<p>Hi Pilot73!</p> <p>No one should make comments online that are mean or hurtful. You shouldn't answer messages that are mean, or that make you feel uncomfortable. Tell your parents, a teacher or another adult. They can help you block and report the message.</p> <p>I hope that helps.</p> <p>☺ Alex</p>	<p>Hi Flower16!</p> <p>Passwords are private. You shouldn't share passwords, except with your parents or carers. If someone has your password, they can use your account. You can be best friends without sharing passwords!</p> <p>Explain this to your friend. I'm sure she'll understand. If you're still worried, you should talk to your parents or another adult. Good luck.</p> <p>☺ Alex</p>
