Student 1 Set 1: Different ways of life

Preparation: 5 minutes

Task 1. Prepare a monologue based on the data in the table to present and discuss the topic *The Way of Life Young People Prefer* with your partner.

- Study the information in the table.

One hundred teenagers were questioned about where they would like to live when they have left school. Here are the results:

• in the city	75
• by the sea	15
• abroad	6
• in the countryside	3
• don't know	1

- Speak about the reasons young people leave the countryside. You have to speak about the differences in 1) lifestyles, 2) sets of values, 3) opportunities in the job market, 4) forms of entertainment in the city and in the country. Speak for 5-7 minutes.
- Remember to make an introduction and conclusion, be logical.
- Come to the conclusion where you would like to live when you have left school.
- Answer your partner's questions.

Task 2. Ask your partner 3 questions on the topic *The Way of Life Elderly People Prefer*, ask for information that has not been mentioned yet.

You start the discussion.
