	 The image contains a technical drawing of a pair of trousers, presented in two views: a front view on the left and a back view on the right. Both views show a pair of trousers with a straight, vertical crease down the center of the front and back. The waistband is depicted as a simple horizontal line at the top. The front view includes curved lines representing the side pockets. The back view shows a vertical seam down the center and two vertical lines near the waistband, likely representing the placement of the back pockets or a fly. The drawing is a simple line art illustration.
