One of the things that makes gardening in England so enjoyable is the long growing season. With mild temperatures (a)____, plants have the opportunity to thrive throughout the year, (b)____. From vibrant roses and delicate wildflowers to hearty tomatoes and fragrant herbs, there is no shortage of options when it comes to choosing what to grow.

For many people in England, gardening is not just a hobby, but a way of life. Spending time in the garden can be a therapeutic and fulfilling experience, providing a welcome break from the hustle and bustle of modern life. Whether it's digging in the soil, pruning plants, or simply enjoying the beauty of nature, gardening offers a sense of connection to the natural world (c)____.

In addition to the personal satisfaction that comes from growing healthy plants and cultivating a beautiful garden, there are also practical benefits to gardening in England. Many people grow their own fruits and vegetables, reducing their reliance on store-bought produce and enjoying the fresh flavors of homegrown food. Others create wildlife-friendly habitats in their gardens, attracting birds, bees, and other pollinators (d)_____.

Overall, gardening in England is a rewarding and enriching hobby that allows people to connect with nature, express their creativity, and reap the benefits of their hard work (e)____. With its long growing season, rich horticultural tradition, and diverse range of plant species, England truly is a gardener's paradise.

- 1) that help to support local ecosystems
- 2) without attracting too much attention
- 3) in the form of beautiful gardens and bountiful harvests
- 4) and plenty of rain
- 5) giving gardeners the chance to experiment with different species and varieties
- 6) and very little, if any, rain
- 7) that is difficult to replicate elsewhere

Задание № 18

Прочитайте текст и определите, являются ли верными высказывания (a)–(e), приведенные ниже. Если высказывание верно, укажите в талоне ответов под соответствующей буквой (a–e) цифру 1, если неверно – цифру 2.

Gardening is a popular hobby in England, where the lush green landscape and mild climate provide the perfect conditions for growing a wide variety of plants. Many people in England take pride in their gardens, carefully tending to their flowers, vegetables, and herbs to create beautiful and productive outdoor spaces.

One of the things that makes gardening in England so enjoyable is the long growing season. Plants have the opportunity to thrive throughout the year. There is no shortage of options when it comes to choosing what to grow.

English gardeners also benefit from a rich tradition of horticulture, with many well-known gardening experts and authors who have shared their knowledge and passion for plants over the years. From classic garden design principles to innovative techniques for maximizing crop yields, there is always something new to learn and explore in the world of gardening.

For many people in England, gardening is not just a hobby, but a way of life. Spending time in the garden can be a therapeutic and fulfilling experience, providing a welcome break from the hustle and bustle of modern life. Whether it's digging in the soil, pruning plants, or simply enjoying the beauty of nature, gardening offers a sense of connection to the natural world.

In addition to the personal satisfaction that comes from growing healthy plants and cultivating a beautiful garden, there are also practical benefits to gardening in England. Many people grow their own fruits and vegetables, reducing their reliance on store-bought produce and enjoying the fresh flavors of homegrown food. Others create wildlife-friendly habitats in their gardens, attracting birds, bees, and other pollinators.

Overall, gardening in England is a rewarding and enriching hobby that allows people to connect with nature, express their creativity, and reap the benefits of their hard work. With its long growing season, rich horticultural tradition, and diverse range of plant species, England truly is a gardener's paradise.

- a) Favourable weather is the only reason why most plants thrive in England.
- b) The range of available choices of plants to grow is really wide.
- c) Keen gardeners are always open to new ideas and trends.
- d) One of the things people enjoy about gardening is that it is often an escape from everyday routine.
- e) Growing your own food is hard work, so there are few people who do it regularly.

Задание № 19
