#### Part 1

Read the article about George Weekes. Are sentences **1-10** 'Right' (A) or 'Wrong' (B)? For questions **1-10**, mark **A** or **B** on your answer sheet.

#### GEORGE WEEKES

George Weekes writes poems and books for all age groups, and sometimes reads his work on television.

'My parents moved to Manchester from Jamaica just before I was born, but east London has been my home for many years now. Tourists never come here. This part of the city has problems, but there are also many good things about it.

People of many nationalities live in this area, so there are shops with Jamaican bread, African vegetables, Chinese spices and lots of other interesting things. The shop my wife likes best is one that sells beautiful Indian dresses. The local bookshop is much more friendly than a big store and I'm always happy to talk to the customers about my books!

I'm 36 now but I don't really like 36-year-olds! Once people become 30 they think about money too much and say that modern music is too noisy! Almost all my friends here are under 17. I love their language and their music. They give me ideas for my writing.

Sometimes I go for a run along the river. There are flowers and animals and even some cows there, so it's like being in the country. I live and work in a city but inside I am still a country person.'

#### Part 2

Read the article about a man who opened a restaurant. For questions **11-20**, mark **A**, **B** or **C** on your answer sheet.

#### OPENING A RESTAURANT

Twelve months ago Robin Parker left his job at an insurance company. He now runs a restaurant which is doing very well since it opened four months ago.

Opening a restaurant was a big change for Robin. He loves travelling and all his favourite television programmes are about cooking. One day, he read in a newspaper about a doctor who left her job and moved to Italy to start a restaurant. He thought, 'I can do that!' His wife wasn't very happy about the idea, and neither was his father. But his brother, a bank manager, gave him lots of good ideas.

Robin lived in Oxford and had a job in London. He thought both places would be difficult to open a restaurant in, so he chose Manchester because he knew the city from his years at university. He found an empty building in a beautiful old street. It was old and needed lots of repairs but all the other buildings were expensive and he didn't have much money.

Robin loves his new work. It's difficult being the boss, but he has found an excellent chef. He says he enjoys talking to customers and some of them have become his good friends. He gets up at 6am and often goes to bed after midnight. It's a long day but he only starts to feel really tired when he takes time off on Saturdays and Sundays.

Robin's restaurant is doing so well that he could take a long holiday. But he's busy with his new idea to open a supermarket selling food from around the world. He's already found a building near his restaurant.
