TASK 1

Present yourself to the contest committee (12-15 sentences). Use the information from the press card.

Remember

1. to greet the committee and introduce yourself;
2. to give a brief overview of your personal background;
3. to describe your professional experience;
4. to mention your skills and strengths;
5. to say about your personal interests and hobbies.

TASK 2

As part of the journalism contest prepare 5 questions about artificial intelligence (AI) in education. Ask about:

1. the role of AI in education,
2. variety of tools AI uses,
3. benefits of AI for young learners,
4. popularization of AI,
5. development of AI in the near future.

You will have to start in 12 minutes and speak for not more than 8 minutes.

You can make notes during the preparation time, but you are not allowed to read the notes made during the preparation time.
