Speaking (17 points)

Task

You will have to start in **1.5 minutes** and will speak for not more than **3 minutes** (12-15 sentences).

You are a sales assistant in a large electronics store. Prepare a presentation of a brand-new smart watch manufactured in your country.

In your speech do not forget to:

- give a brief description of the item;
- speak about the purpose of the item;
- mention some interesting facts about the item; what makes it different from similar objects;
- give details of the price and possible discounts.

Don't forget to give a short introduction and conclusion.

You have to talk continuously.

YOUR ANSWERS WILL BE RECORDED
